Reporting to the community

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

Summary of School Board activity

There were eight meetings of the School Board in 2019. Standing agenda items at each meeting included: strategic priorities and school performance, policies, strategic finance and community engagement.

Infrastructure requirements for our growing enrolments were a focus for the School Board in 2019. In 2019, the School Board wrote to both the Education Directorate and the Minister for Education, advising that we did not believe there would be enough classrooms to accommodate projected enrolments for Term 1 in 2020. We received confirmation in November 2019 that additional classrooms would be ready for use in Term 2 of 2020. The Board is looking forward to continuing to work with the Education Directorate on the City and Gateway corridor planning project, to meet the projected increases in demand for classroom space over the coming years.

School Context

Lyneham Primary School is a Preschool to Year 6 educational setting situated in the inner north area of Canberra. It caters to the broad range of learning needs of over five hundred students.

At Lyneham Primary School we are welcoming, open and caring. We value our partnerships with the broader community to improve student outcomes. Because we believe in respectful relationships, the social justice principles of equity and fairness underpin our work with all students, staff and families. We encourage our students to seek to understand and value the perspectives of others. Lyneham Primary School strives to promote a culture of high expectations for our students' academic success.

Our school environment encourages curiosity, collaboration, critical and creative thinking. By 2022 our students and teachers will be working together, students and teachers questioning and noticing, and students and teachers displaying a sense of wonder. In 2022 you will see shared beliefs and consistent teaching and learning practices based on current research and data. You will consistently see students given the time to talk, to share and clarify ideas and provide feedback. Students will participate in purposeful and authentic writing and reading opportunities using quality literature.

Students will be engaged in open ended, purposeful and authentic maths opportunities, consistently using a shared language of Maths.

Lyneham will continue to be a place where students love to learn, where there is a strong culture of purposeful and creative learning and where students, staff and families are happy and engaged as a vibrant learning community.

Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

Staff Information

Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

Workforce composition

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June of the reporting period, 119 Aboriginal and/or Torres Strait Islander staff members were employed across the Directorate.

School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016 all ACT public schools participated in a four-year improvement cycle. In the fourth year schools underwent an external Validation process. In 2016 this changed to a five-year cycle with a School Review at the end.

Our school was reviewed in 2017. A copy of the Review Report can be found on our school website.

School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and students from year 5 and above through an online survey.

Overall Satisfaction

In this period of reporting, 86% of parents and carers, 97% of staff, and 80% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

A total of 32 staff responded to the survey. Please note that not all responders answered every question.

Learning and Assessment

Performance in Literacy and Numeracy

Early years assessment

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the Performance Indicators in Primary Schools (PIPS) program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

Table: Lyneham Primary School PIPS 2019 mean raw scores

Agency	Reading start	Reading end	Mathematics start	Mathematics end
School	47	122	37	55
ACT	49	123	39	55

NAPLAN

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

In this reporting period, 0.00 % of year 3 students and 2.80 % of year 5 students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.

Table: NAPLAN Mean Scores
