

# School Strategic Plan for Macgregor Primary School 2011-2014

## Belconnen Network

**Context Statement:** Macgregor Primary School has embarked upon an ambitious school improvement journey. There have been significant improvements in student outcomes and there is a strong sense of pride throughout the school. The school community is committed to continuing this improvement journey to achieve excellent individual outcomes for all students. With a growing enrolment and many new families joining the school community, renewing a shared direction and vision for the school is central to the next stage of improvement.

# MACGREGOR PRIMARY SCHOOL - Strategic Plan 2011-2014

---

## Priority 1

Improve the school's capacity to meet the academic, social, emotional and physical needs of all students.

### Key Improvement Strategies

- Refine whole school systems and processes for the teaching of literacy and numeracy
- Analyse and identify the needs of all staff to ensure professional development and coaching is aligned to the specific priorities of our school.
- Refine existing systems and processes to ensure quality school-wide pedagogical practices through instructional leadership.
- Develop strong evidence based practice built on a framework of high expectations of academic achievement.
- Embed Information Communication Technology (ICT) effectively into all learning environments
- Refine the school's systems and processes to further engage students in participative decision making and leadership experiences
- Enhance student support and wellbeing systems, strategies and programs
- Foster a creative, innovative and collaborative culture in which new ideas are valued

### Performance Measures

- Student achievement in National Assessment Program – Literacy and Numeracy (NAPLAN) in years 3 and 5
- Student achievement in school based assessment programs in literacy and numeracy
- Student Survey – Feelings About Yourself and School – Connectedness and Student Safety

### Domains covered by this priority

Learning and Teaching      Leading and Managing      Student Engagement

## Priority 2

Strengthen partnerships between students, staff, families and the broader community.

### Key Improvement Strategies

- Develop processes that strengthen the engagement of parents to be actively involved in their child's learning
- Continue to further develop strategic partnerships that mutually support the school, local community and Belconnen School Network
- Continue to offer and build on leadership and citizenship opportunities for students in their community
- Recognise and develop the contribution of parent associations and support groups

### Performance Measures

- Parent satisfaction (Satisfaction Survey – Community Involvement)
- Parent engagement with parent associations and support groups
- Student engagement with community events

### Domains covered by this priority

Student Engagement      Leading and Managing      Community Engagement
