Reporting to the community

Schools report to communities in range of ways, including through:

- Annual School Board Reports
- a (5-year) School Improvement Plan (formerly School Strategic Plan)
- annual Impact Reports
- newsletters
- other sources such as My School.

School Context

Garran Primary is known both for its outstanding academic results and building confident, resilient and happy children, ready for their future in high school and beyond. The Garran School community has high expectations of its local school. The parents are well-educated with over ninety percent holding formal university qualifications at degree and post degree levels and are critically interested in their children's progress and attend information and parent teacher meetings and other activities directly involving their children. Many parents recognise that they are time poor and therefore find it hard to volunteer to be part of special activities designed by staff and P & C, however, parents are generous towards the school and are very proud of the work done by staff, and also of its reputation.

The school has strong multicultural influences with over 30 percent of families regularly speaking a language other than English at home, and this contributes to the diversity of views, backgrounds and values held by families across the school. The school supports all students by catering for their educational needs by developing and implementing effective educational plans that consider learning differences, specific needs or disabilities. The school has a high level of student mobility, as exemplified by the statistics gathered as part of NAPLAN evaluations. To accommodate for this the school engages in a process of reflection and continuous evaluation to forward map and respond to the evolving needs of students.

Student Information

Student enrolment

In this reporting period there were a total of 595 students enrolled at this school.

Table: Student enrolment

Student type	Number of students
Male	297
Female	298
Aboriginal and Torres Strait Islander	9

Student attendance

The following table identifies the attendance rate of students by year level during this reporting period. Student attendance rate is the percentage of school days attended by students in each year level at the school. Student attendance is measured over two school terms; that is from the first day of the school year for students in term 1 to the last day of term 2.

Table: Attendance rates in percentages

Year level	Attendance rate
1	93.0
2	94.0
3	94.0
4	94.0
5	94.0
6	93.0

Supporting attendance and managing non-attendance

ACT public schools support parents and careers to meet their legal responsibilities in relation to the compulsory education requirements of the *Education Act 2004*. The Education Directorate's *Education Participation (Enrolment and Attendance) Policy* describes its position with regard to supporting attendance and managing non-attendance. A suite of procedures supports the implementation of the policy. Please refer to <https://www.education.act.gov.au/> for further details.

Staff Information

Teacher qualifications

All teachers at this school meet the professional requirements for teaching in an ACT public school. The ACT Teacher Quality Institute (TQI) specifies two main types of provision for teachers at different stages of their career, these are detailed below.

- **Full registration** is for teachers with experience working in a registered school in Australia or New Zealand who have been assessed as meeting the Proficient level of the Australian Professional Standards for Teachers.
- **Provisional registration** is for newly qualified teachers or teachers who do not have recent experience teaching in a school in Australia and New Zealand. Many teachers moving to Australia from another country apply for Provisional registration.

Workforce composition

Workforce composition for the current reporting period is provided in the following table. The data is taken from the school's verified August staffing report. For reporting purposes, it incorporates all school staff including preschools, staff absent for a period of less than four consecutive weeks and

staff replacing staff absent for more than four consecutive weeks. It does not include casuals and staff absent for a period of four consecutive weeks or longer.

The Education Directorate is required to report Aboriginal and Torres Strait Islander staff figures. As of June, of the reporting period, 119 Aboriginal and/or Torres Strait Islander staff members were employed across the Directorate.

Table: Workforce composition numbers

Staff employment category	TOTAL
Teaching Staff: Full Time Equivalent Permanent	30.38
Teaching Staff: Full Time Equivalent Temporary	5.00
Non-Teaching Staff: Full Time Equivalent	11.08

School Review and Development

The ACT Education Directorate's Strategic Plan 2018-2021 provides the framework and strategic direction for School Improvement Plans (formerly School Strategic Plans). This is supported by the school performance and accountability framework '*People, Practice and Performance: School Improvement in Canberra Public Schools, A Framework for Performance and Accountability*'. Annually, system and school level data are used alongside the National School Improvement Tool to support targeted school improvement, high standards in student learning, innovation and best practice in ACT public schools.

Prior to 2016 all ACT public schools participated in a four-year improvement cycle. In the fourth-year schools underwent an external Validation process. In 2016 this changed to a five-year cycle with a School Review at the end.

Our school was reviewed in 2016.

School Satisfaction

Schools use a range evidence to gain an understanding of the satisfaction levels of their parents and carers, staff and students. Annually in August/ September ACT schools undertake a survey to gain an understanding of school satisfaction at that time. This information is collected from staff, parents and students from year 5 and above through an online survey.

Overall Satisfaction

In this period of reporting, 94% of parents and carers, 96% of staff, and 88% of students at this school indicated they were satisfied with the education provided by the school.

Included in the survey were 16 staff, 14 parent, and 12 student items which are described as the national opinion items. These items were approved by the then Standing Council on School Education and Early Childhood (SCSEEC) for use from 2015. The following tables show the percentage of parents and carers, students and staff who agreed with each of the national opinion items at this school.

A total of 22 staff responded to the survey. Please note that not all responders answered every question.

Learning and Assessment

Performance in Literacy and Numeracy

Early years assessment

Students in kindergarten undertake an on-entry and on-exit assessment of their early reading and numeracy skills using the Performance Indicators in Primary Schools (PIPS) program. Student results are reported against five performance bands at the end of semester 1 and 2. Below are the results for this school for the current reporting period.

Table: Garran Primary School PIPS 2019 mean raw scores

Agency	Reading start	Reading end	Mathematics start	Mathematics end
School	58	157	43	63
ACT	49	123	39	55

NAPLAN

Students in years 3, 5, 7 and 9 in all ACT schools participate in the National Assessment Program-Literacy and Numeracy (NAPLAN). This program assesses skills in reading, writing, spelling, grammar and punctuation, and numeracy.

In this reporting period, 3.20 % of year 3 students and 0.00 % of year 5 students were exempt from testing based on nationally agreed criteria.

For reasons of statistical reliability, as well as to protect the privacy of students, results are not reported when the sample size is less than five.

The following table shows the mean scores achieved by students at this school compared to all other ACT public schools for this reporting period.

Table: NAPLAN Mean Scores

Test Domain	Year 3 School	Year 3 ACT	Year 5 School	Year 5 ACT
Reading	466	438	544	516
Writing	441	418	505	474
Spelling	447	408	537	497
